Create your faction account

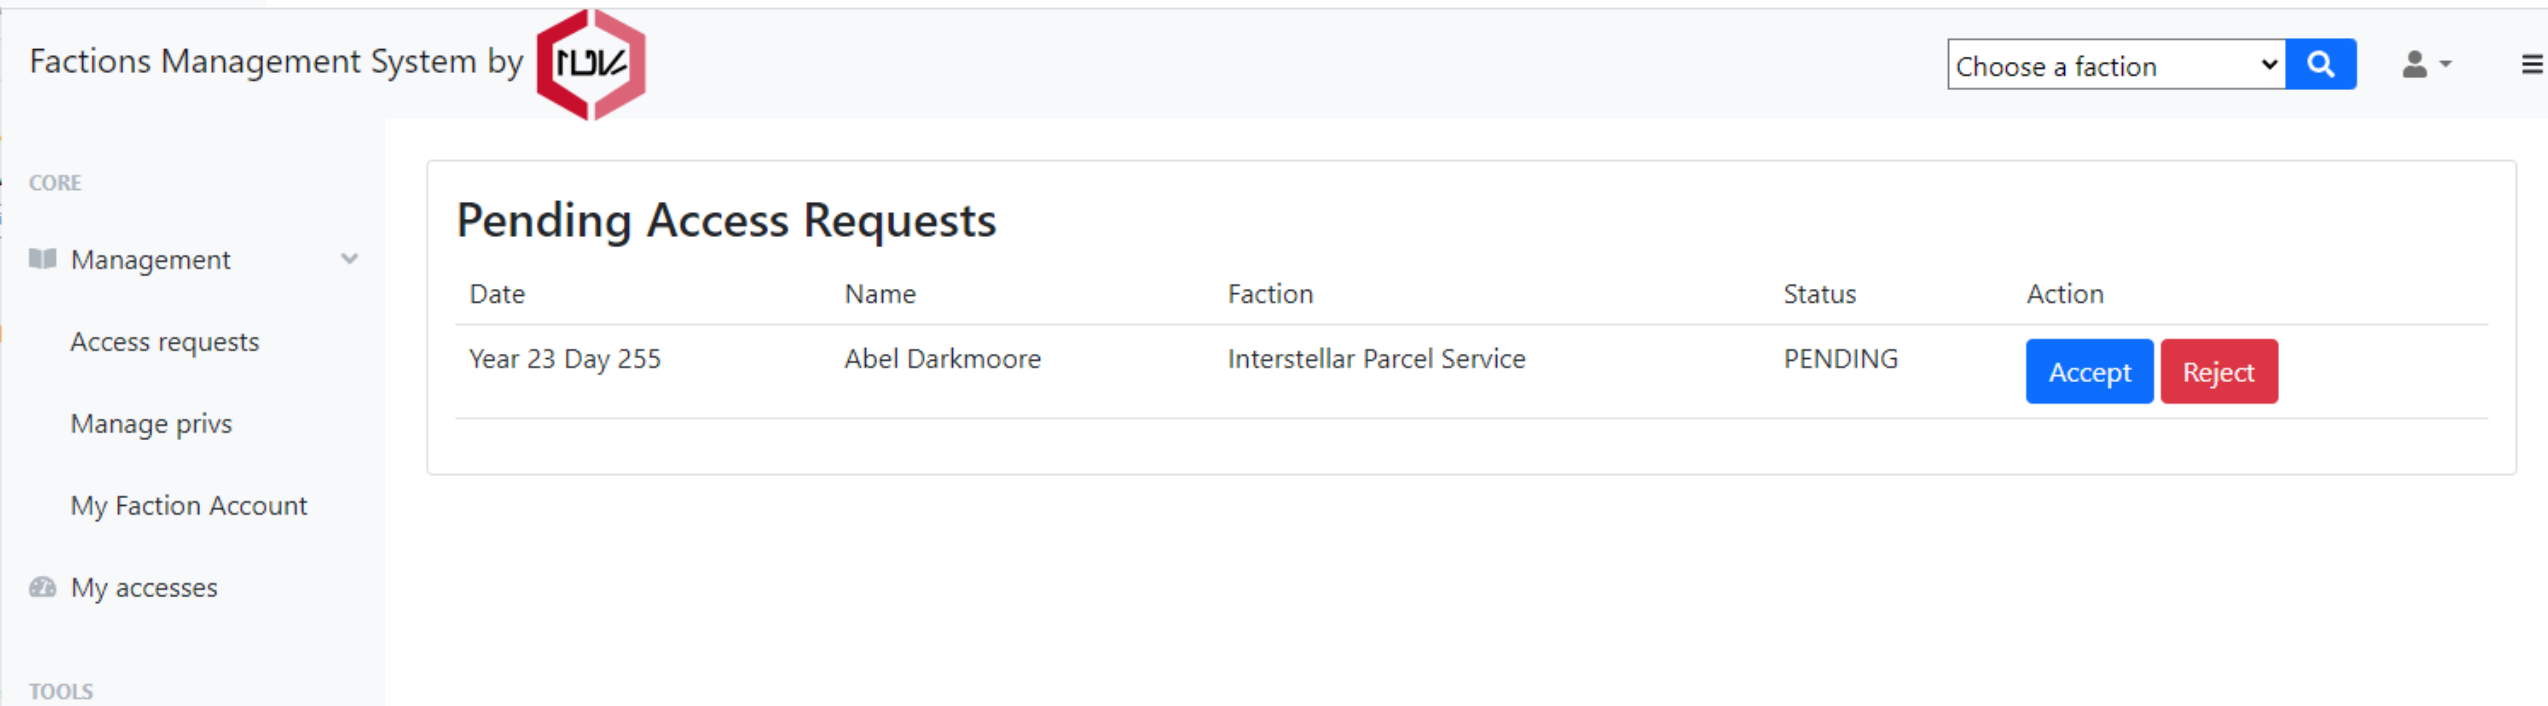

- This step have to be made by the current leader.
- Go to : <https://swc-ips.ovh/FMS/>
- you'll be directed to the faction account creation page. Just click on the button to get started and grant the needed API privs

The screenshot shows a dark-themed web interface. At the top center is a red hexagonal logo with the letters 'SWC' inside. Below the logo are two light pink error bars. The first bar contains the text 'Interstellar Parcel Service account is not created'. The second bar contains the text 'Interstellar Parcel Service account is not activated'. Below these bars is a heading 'To Create Your Faction Account Or Grant missing privileges :'. Underneath the heading is a button labeled 'Click Here'. Below the button is the text 'You will be redirected to the SWC API approval page.' At the bottom of the page, there is a disclaimer in italics: 'Using the API to spy is against the **Golden Rule** as well as IPS policy and **Abuses are punished**. Therefore, no data are being collected, saved or consulted at anytime by anyone but you and those to who you grant access.'

Grant Access

- Go to Management -> Access requests
- Faction leader can there see and accept access requests
- At this point the requester will have no privs though

The screenshot displays the 'Factions Management System' interface. The top header includes the system name, a search bar with 'Choose a faction', and user profile icons. A left sidebar contains navigation options under 'CORE' and 'TOOLS'. The main content area is titled 'Pending Access Requests' and contains a table with one entry.

Give privs

- Once a user is accepted, go to Management -> Manage Privs
- Clic on « configure » to access privs configuration

The screenshot shows a web application interface for 'Factions Management System by [Logo]'. The main content area is titled 'Interstellar Parcel Service : Privileges' and contains a 'Users List' table. The table has two columns: 'Handle' and 'Action'. There are two rows of users: 'Ashura Harma' and 'Chara Kerman'. Each row has two buttons: a blue 'Configure' button and a red 'Remove' button. The left sidebar shows a navigation menu with 'CORE' and 'TOOLS' sections. Under 'CORE', there are 'Management', 'Access requests', 'Manage privs', and 'My Faction Account'. Under 'TOOLS', there is 'Inventory'. The top right of the interface has a search bar with the text 'Choose a faction', a search icon, and user profile icons.
